Discover Tampax Pearl - Grip

An extraordinary innovation.

Only Tampax Pearl features this unique contoured grip. It's textured on both sides to help reduce slipping as you hold the applicator and insert the tampon.

Product Line-up

Incredible
Comfort.
Extraordinary
Protection.

The grip's contoured shape - makes it easy to hold, enabling you to position the applicator comfortably, gently, and effectively. Pearl's unique contoured grip is just one more detail that sets Tampax Pearl apart from other tampons.
